

## VISUAL LATIN & HENLE

Henle Latin is a comprehensive Latin course. However, it is also a bit intimidating. To help you through Henle, simply follow the chart below. When you encounter a tough concept, watch the corresponding Visual Latin video. Following this schedule will take you through both courses in about two years. At that time, you will be ready to read the Bible in Latin or, the Gallic Wars by Julius Caesar.

Week	Henle Lesson	Visual Latin
1	Henle Introduction	Intro 1, 2, 3, and 4
